Dear Hiring Manager,

Sub: Application for the post of web developer-regarding.

With reference to your advertisement in The Hindu dated 27.02.2026, I would like to apply for the post of web developer in your company.

I am Bachelor of Engineering graduate from K.Ramakrishnan College Of Technology,Trichy.I would like to start my career in a prestigious and global company like Tata Consultancy Services Limited. I am an enterprising and ambitious Computer Science Engineer. I believe that the skills I have learned from a premier institution like K.Ramakrishnan College of Technology and my experience from internships over the past 4 years will be immensely helpful. I am also certified in C++ and JAVA, I have also been an active participant in college events and department programmers. All these combined with my academic achievements and good communication skills make me an ideal candidate for this position.

The experience and challenging work environment that a global leader in a service providing industry such as yours would be an excellent way to start my career. I would be happy to meet you and provide firsthand evidence of my abilities and attend an interview at your convenience.

Thank You

Yours truly,

DHARINI SHRII S
